Introduction/Aim

- 1.1 Regular school attendance is essential if children are to achieve their full potential. [Research](#) commissioned by the Department for Education shows missing school for even a day can mean a child is less likely to achieve good grades, which can have a damaging effect on their life chances.
- 1.2 At the Co-operative Education East Academy Trust we believe that regular school attendance enables children both to maximise the educational opportunities available to them and to become responsible, organised and motivated adults. We value all pupils. As set out in this policy, we will work with families to identify the reasons for poor attendance and try to resolve any difficulties. We recognise that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on safeguarding, prevention of bullying, behaviour and inclusive learning. This policy also takes into account the Human Rights Act 1998, the Equality Act 2010 and other relevant legislation.

2. Legal Framework

- 2.1 Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, ability and aptitude to any special educational needs they may have, either by regular attendance at school or otherwise. A child is of Compulsory School Age at the beginning of the term following their 5th birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16.
- 2.2 Under the Education Act 1996, the Local Authority has a statutory responsibility to ensure that parents secure education for children of compulsory school age and where necessary, use legal enforcement.
- 2.3 The Education (Pupil Registration) (England) Regulations 2006, as amended by 2016 regulations, require schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session. The register must record whether the pupil was:
 - Present;
 - Absent;
 - Present at approved educational activity; or
 - Unable to attend due to exceptional circumstances.

3. Definitions

- 3.1 For the purpose of this policy, the school defines:

“Absence” as:

- Arrival at school after the register has closed

- Not attending school for any reason

Regular attendance as:

- Attendance at every session the school is open to pupils unless their absence has been authorised

An “authorised absence” as:

- An absence for sickness for which the school has granted leave
- Medical or dental appointments which unavoidably fall during school time, for which the school has granted leave
- Religious or cultural observances for which the school has granted leave
- An absence due to a family emergency or unavoidable cause

An “unauthorised absence” as:

- Parents keeping children off school unnecessarily or without reason
- Truancy before or during the school day
- Absences which have never been properly explained
- Arrival at school after the register has closed
- Shopping, looking after other children or birthdays
- Day trips and holidays in term-time which have not been agreed
- Leaving school for no reason during the day

“Persistent absenteeism” (PA) as:

- Missing 10% or more of schooling across the year for any reason

“Parent” as

- Any natural parent, whether married or not
- Any parent who, although not a natural parent, has parental responsibility as defined in the Children Act (1989) for a child or young person
- Any person who, although not a natural parent, has care of a child or young person

4. Categorising Absence and Attendance

4.1 The table below shows the national codes which enable all schools to record and monitor attendance and absence in a consistent way, and comply with the regulations.

Absence and Attendance Codes	
Present at School	
/ \	Registration code / \ : present in school / = am \ =pm
L	Late arrival before the register has closed. Schools should have a policy on how long registers should be kept open; this should be for a reasonable length of time but not that registers are to be kept open for the whole session. A pupil arriving after the register has closed should be marked absent with code U, or with another absence code if that is more appropriate.
Attendance codes for when pupils are present at approved off-site educational activity	

B	Off-site educational activity. This code should be used when pupils are present at an off-site educational activity that has been approved by the school. Ultimately schools are responsible for the safeguarding and welfare of pupils educated off-site. Therefore by using code B, schools are certifying that the education is supervised and measures have been taken to safeguard pupils. This code should not be used for any unsupervised educational activity or where a pupil is at home doing school work. Schools should ensure that they have in place arrangements whereby the provider of the alternative activity notifies the school of any absences by individual pupils. The school should record the pupil's absence using the relevant absence code.
D	Dual Registered – at another educational establishment. This code is not counted as a possible attendance in the school Census. The law allows for dual registration of pupils at more than one school. This code is used to indicate that the pupil was not expected to attend the session in question because they were scheduled to attend the other school at which they are registered. The main examples of dual registration are pupils who are attending a pupil referral unit, a hospital school or a special school on a temporary basis. It can also be used when the pupil is known to be registered at another school during the session in question. Each school should only record the pupil's attendance and absence for those sessions that the pupil is scheduled to attend their school. Schools should ensure that they have in place arrangements whereby all unexplained and unexpected absence is followed up in a timely manner.
J	At an interview with prospective employers, or another educational establishment. This code should be used to record time spent in interviews with prospective employers or another educational establishment. Schools should be satisfied that the interview is linked to employment prospects, further education or transfer to another educational establishment.
P	Participating in a supervised sporting activity. This code should be used to record the sessions when a pupil is taking part in a sporting activity that has been approved by the school and supervised by someone authorised by the school.
V	Educational visit or trip. This code should be used for attendance at an organised trip or visit, including residential trips organised by the school, or attendance at a supervised trip of a strictly educational nature arranged by an organisation approved by the school.
W	Work experience. Work experience is for pupils in the final two years of compulsory education. Schools should ensure that they have in place arrangements whereby the work experience placement provider notifies the school of any absences by individual pupils. Any absence should be recorded using the relevant code.
Absence codes when pupils are not present in school	
C	Leave of absence authorised by the school. Only exceptional circumstances warrant an authorised leave of absence. Schools should consider each application individually taking into account the specific facts and circumstances and relevant background context behind the request.
E	Excluded but no alternative provision made. If no alternative provision is made for a pupil to continue their education whilst they are excluded but still on the admission register, they should be marked absent in the attendance register using Code E. Alternative provision must be arranged for each excluded pupil

	from the sixth consecutive day of any fixed period or permanent exclusion. Where alternative provision is made they should be marked using the appropriate attendance code.
H	Holiday authorised by the school. Head teachers should not grant leave of absence unless there are exceptional circumstances. The application must be made in advance and the head teacher must be satisfied that there are exceptional circumstances based on the individual facts and circumstances of the case which warrant the leave. Where a leave of absence is granted, the head teacher will determine the number of days a pupil can be away from school. A leave of absence is granted entirely at the head teacher's discretion.
I	Illness (not medical or dental appointments). Schools should advise parents to notify them on the first day the child is unable to attend due to illness. Schools should authorise absences due to illness unless they have genuine cause for concern about the veracity of an illness. If the authenticity of illness is in doubt, schools can request parents to provide medical evidence to support illness. Schools can record the absence as unauthorised if not satisfied of the authenticity of the illness but should advise parents of their intention. Schools are advised not to request medical evidence unnecessarily. Medical evidence can take the form of prescriptions, appointment cards, etc. rather than doctors' notes.
M	Medical or dental appointments. Missing registration for a medical or dental appointment is counted as an authorised absence. Schools should, however, encourage parents to make appointments out of school hours. Where this is not possible, the pupil should only be out of school for the minimum amount of time necessary for the appointment.
R	Religious observance. Schools must treat absence as authorised when it is due to religious observance. The day must be exclusively set apart for religious observance by the religious body to which the parents belong. Where necessary, schools should seek advice from the parents' religious body about whether it has set the day apart for religious observance.
S	Study leave. Schools must record study leave as authorised absence. Study leave should be used sparingly and only granted to Year 11 pupils during public examinations. Provision should still be made available for those pupils who want to continue to come into school to revise.
T	Gypsy, Roma and Traveller absence. A number of different groups are covered by the generic term Traveller – Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. This code should be used when Traveller families are known to be travelling for occupational purposes and have agreed this with the school but it is not known whether the pupil is attending educational provision. It should not be used for any other types of absence by these groups. To help ensure continuity of education for Traveller children it is expected that the child should attend school elsewhere when their family is travelling and be dual registered at that school and the main school. Children from these groups whose families do not travel are expected to register at a school and attend as normal. They are subject to the same rules as other children in terms of the requirement to attend school regularly once registered at a school.
Unauthorised Absence from School	

G	Holiday not authorised by the school or in excess of the period determined by the head teacher. If a school does not authorise a leave of absence for the purpose of a holiday but the parents still take the child out of school, or the child is kept away for longer than was agreed, the absence is unauthorised. The regulations do not allow schools to give retrospective approval. If the parents did not apply for leave of absence in advance, the absence must be recorded as unauthorised.
N	Reason for absence not yet provided. Schools should follow up all unexplained and unexpected absences in a timely manner. Every effort should be made to establish the reason for a pupil's absence. When the reason for the pupil's absence has been established the register should be amended. This code should not be left on a pupil's attendance record indefinitely; if no reason for absence is provided after a reasonable amount of time it should be replaced with code O (absent from school without authorisation).
O	Absent from school without authorisation. If the school is not satisfied with the reason given for absence they should record it as unauthorised.
U	Arrived in school after registration closed. Schools should actively discourage late arrival, be alert to patterns of late arrival and seek an explanation from the parent.
Administrative Codes	
X	Not required to be in school. This code is used to record sessions that non-compulsory school age children are not expected to attend.
Y	<p>Unable to attend due to exceptional circumstances. This code can be used where a pupil is unable to attend because:</p> <ul style="list-style-type: none"> • The school site, or part of it, is closed due to an unavoidable cause; or • The transport provided by the school or a local authority is not available and where the pupil's home is not within walking distance; or • A local or national emergency has resulted in widespread disruption to travel which has prevented the pupil from attending school. <p>This code can also be used where a pupil is unable to attend because:</p> <ul style="list-style-type: none"> • The pupil is in custody; detained for a period of less than four months. If the school has evidence from the place of custody that the pupil is attending educational activities then they can record those sessions as code B (present at approved educational activity). <p>This code is collected in the School Census for statistical purposes.</p>
Z	Pupil not on admission register. This code is available to enable schools to set up registers in advance of pupils joining the school to ease administration burdens. Schools must put pupils on the admission register from the first day that the school has agreed, or been notified, that the pupil will attend the school.
#	Planned whole or partial school closure. This code should be used for whole or partial school closures that are known or planned in advance such as: between terms; half terms; occasional days (for example, bank holidays); weekends (where it is required by the management information system); up to five non-educational days to be used for curriculum planning/training; and use of schools as polling stations.

4.2 Leave of Absence

4.2.1 Since September 2013, changes to Government regulations and guidance means that Head teachers can no longer authorise leave of absence for the sole purpose of a holiday (unless in exceptional circumstances). All absences associated with a holiday (without exceptional circumstance) during term time will be marked as unauthorised within the register. Any parents known to have removed their child from school for the sole purpose of a holiday may be referred to the Local Authority and be issued with a penalty notice fine or referred to the Local Authority to consider prosecution.

4.2.2 We believe that children need to be in school for all sessions so that they can make the most progress possible. However, we do understand that there are times where a parent may legitimately request leave of absence for child due to 'exceptional circumstances.' At schools within the Co-operative Education East Academy Trust, leave of absence shall not be granted unless there are 'exceptional circumstances'. This may only be granted at the discretion of the Head teacher. Schools will respond to all applications for leave of absence in writing.

4.2.3 Parents wishing to apply for leave of absence during term time must apply in writing to the Head teacher at least a month before the planned leave. If a written request for leave of absence is not completed and the leave is taken without a request being submitted, the leave will not be considered by the Head teacher and it will be marked as unauthorised. Schools will treat each application individually and discuss with you the circumstances of the application before a decision is made. Retrospective requests will not be considered and therefore will result in the absence being categorised as **unauthorised**. In such cases the school may make a referral to the Local Authority to request that a penalty notice fine is issued or consider prosecution.

4.2.4 A penalty notice request or a referral for prosecution may be submitted to the Local Authority should:-

- The parent fail to submit a leave of absence request in advance of taking the leave
- An application for a leave of absence is not agreed by the Head teacher but is still taken.
- A longer period of time is taken in excess of the agreed number of days.

4.2.5 When absence is granted by the Head teacher, the parents will need to agree a date of return. If a pupil fails to return on the expected date and contact is not received from, or made with the parents, school will seek advice from the Local Authority. This could result in possible children missing from education procedures being instigated.

4.3 Pupil Absence for the purposes of Religious Observance

The Co-operative Education East Academy Trust acknowledges the multi-faith nature of British society and recognises that, on some occasions, religious festivals may fall outside school holiday periods or weekends and is recognised as such by a relevant religious authority. Where this occurs, the school will consider either authorising the pupil absence or making special leave for religious observance. Parents are requested to give advance notice to the school.

4.4 Traveller Absence

1. The aim for the attendance of Traveller children, in common with all other children, is to attend school as regularly and as frequently as possible.
2. To protect Traveller parents from unreasonable prosecution for non-attendance, s. 86 of The Education Act 1944 states that a Traveller parent shall be entitled to be acquitted if his or her child accrues 200 attendances (i.e. 200 half days) during the period of twelve months ending with the date on which the proceedings were instituted, if the family are of no fixed abode.
3. However, it should be noted that this provision applies only when the family are engaged in a trade or business that requires them to travel and when the child is attending school as regularly as that trade permits. It does not mean that part-time education for Traveller children is legally acceptable, nor does it relieve parents of their duties to ensure that their children are receiving suitable education when not at school.
4. When trading or otherwise conducting their business in or around Norfolk, if a family can reasonably travel back to their Base School (see below) then the expectation is that their child will attend full-time.
5. Banham Primary School will be regarded as the base school if it is the school where the child normally attends when he or she is not travelling. However, the pupil must have attended this school in the last 18 months. Traveller children can register at other schools temporarily while away from their base school; in such cases, the pupil's school place at Banham Primary School will be kept open for them whilst travelling. This is to protect them from unfairly losing their place at their school of usual attendance.
6. Banham Primary School can only effectively operate as the child's base school if it is engaged in on-going dialogue with Traveller families. This means that parents must:
 - Advise the school of their forthcoming travelling patterns as soon as these are known and before they happen; and
 - Inform the school regarding proposed return dates
7. Traveller children will be recorded as attending an approved educational activity when:
 - The child is on roll and attending another visited school
 - Undertaking supervised educational activity under the jurisdiction of another Local Authority's Traveller Education Service
8. Where Traveller children are registered pupils at a school and are known to be present either at a site (official or otherwise) or in a house and are not attending school, the absence will be investigated in the same way as that for any pupil.

4.5 Unauthorised Absence

Absence will not be authorised unless parents have provided a satisfactory explanation and that it has been accepted as such by the school. That decision is at the discretion of the Headteacher. Examples of unsatisfactory explanations include but are not limited to:

- A pupil's/family member's birthday

- Shopping for uniforms
- Arrangements or appointments for cutting the pupil's hair
- Closure of a sibling's school for INSET (or other) purposes
- An unwillingness to attend school, or inability to attend owing to inadequate personal/family organisation
- A refusal to attend school on health grounds but where the pupil is actually considered well enough to attend
- Holidays taken without the authorisation of the school

4.6 Persistent Absence

A pupil becomes a 'persistent absentee' (PA) when their attendance drops to 90% and below for any reason. Over a full academic year this would be 38 sessions (19 days). Absence at this level is causing considerable damage to a child's educational prospects.

The attendance of all pupils at our school are monitored to identify children who are PA, or are on track to becoming PA. Where emerging concerns are identified we will instigate appropriate and timely interventions. Referrals may also be made to external agencies for targeted support.

If parents fail to engage with support and their child continues to have unsatisfactory attendance/ punctuality, a request may be made to the Local Authority to pursue legal proceedings either through a penalty notice or full prosecution in the Magistrates' Court.

Parents found guilty in a Magistrates' Court of failing to secure their child's regular attendance at school under the provisions of the Education Act 1996, will receive a criminal record and a maximum penalty of a £1000 fine under a Section 444 (1) offence or a £2500 fine or up to a 3 month prison sentence, under a Section 444 (1a) offence.

4.7 Late Arrival at School

At schools within the Co-operative Education East Academy Trust, all pupils are expected to arrive on time for every day of the school year.

The school day begins at 9.00am. We advise all parents to ensure their child is on site prior to this. The school register will be taken at 9.00am. All pupils arriving after this time are required to report to the main office with their parents, who will be expected to sign the late book and provide a reason for their absence. If their arrival is before 9.30am it will be recorded as late - L code (Late before the close of register).

The school register will officially close at 9.30am. All pupils arriving on or after this time will be marked as having an unauthorised absence for the morning session - U code (Late after the close of register). This is categorised as an unauthorised absence for the session. Parents will be contacted to discuss any patterns of late arrival. Repeated arrival after the close of registration will result in appropriate interventions being instigated and may also result in a penalty notice being issued or prosecution.

Please note: L or U codes will be used if a pupil arrives after the close of the afternoon register for the PM session.

5. Deletions from the Register

5.1 In accordance with the Regulations, pupils will only be deleted from the register when one of the following circumstances applies:

A	Where the pupil is registered at the school in accordance with the requirements of a school attendance order, that another school is substituted by the local authority for that named in the order or the order is revoked by the local authority on the ground that arrangements have been made for the child to receive efficient full-time education suitable to his age, ability and aptitude otherwise than at school.
B	Change of school Except where it has been agreed by the proprietor that the pupil should be registered at more than one school, in a case not falling within sub-paragraph (a) or regulation 9, that he has been registered as a pupil at another school.
C	Where a pupil is registered at more than one school, and in a case not falling within sub-paragraph (j) or (m) or regulation 9, that he has ceased to attend the school and the proprietor of any other school at which he is registered has given consent to the deletion.
D	Home education In a case not falling within sub-paragraph (a) of this paragraph, that he has ceased to attend the school and the proprietor has received written notification from the parent that the pupil is receiving education otherwise than at school.
E	Moved away Except in the case of a boarder that he has ceased to attend the school and no longer ordinarily resides at a place which is a reasonable distance from the school at which he is registered.
F	In the case of a pupil granted leave of absence in accordance with regulation 7(1A), that — (i) the pupil has failed to attend the school within the ten school days immediately following the expiry of the period for which such leave was granted; (ii) the proprietor does not have reasonable grounds to believe that the pupil is unable to attend the school by reason of sickness or any unavoidable cause; and (iii) the proprietor and the local authority have failed, after jointly making reasonable enquiries, to ascertain where the pupil is
G	That he is certified by the school medical officer as unlikely to be in a fit state of health to attend school before ceasing to be of compulsory school age, and neither he nor his parent has indicated to the school the intention to continue to attend the school after ceasing to be of compulsory school age.
H	That he has been continuously absent from the school for a period of not less than twenty school days and (i) at no time was his absence during that period authorised by the proprietor in accordance with regulation 6(2); (ii) the proprietor does not have reasonable grounds to believe that the pupil is unable to attend the school by reason of sickness or any unavoidable cause; and (iii) The proprietor of the school and the Local Authority have failed, after jointly making reasonable enquiries, to ascertain where the pupil is.
I	That he is detained in pursuance of a final order made by a court or of an order of recall made by a court or the Secretary of State, that order being for a period of not less than four months, and the proprietor does not have reasonable grounds

	to believe that the pupil will return to the school at the end of that period.
J	That the pupil has died.
K	That the pupil will cease to be of compulsory school age before the school next meets and— (i) the relevant person has indicated that the pupil will cease to attend the school; or (ii) The pupil does not meet the academic entry requirements for admission to the school's sixth form
L	In the case of a pupil at a school other than a maintained school, an Academy, a city technology college or a city college for the technology of the arts, that he has ceased to be a pupil of the school.
M	Permanent exclusion. That he has been permanently excluded from the school.
N	Where the pupil has been admitted to the school to receive nursery education, which he has not on completing such education transferred to a reception, or higher, class at the school.
O	Where— (i) the pupil is a boarder at a maintained school or an Academy; (ii) charges for board and lodging are payable by the parent of the pupil; and (iii) Those charges remain unpaid by the pupil's parent at the end of the school term to which they relate

Schools within the Co-operative Education East Academy Trust will follow their relevant County Council's Children Missing Education procedures when a pupil's whereabouts is unknown and the school will carry out joint enquiries with their relevant County Council to establish the whereabouts of the child.

6. Roles and Responsibilities

At the Co-operative Education East Academy Trust we believe that improved school attendance is a responsibility shared by governors, school staff, parents, pupils and the wider school community.

The Governors of schools within the Co-operative Education East Academy Trust will:

- Speak to their class teacher or another member of staff if they are experiencing difficulties at school or at home which may impact on their attendance
- Attend all lessons ready to learn, with the appropriate learning tools requested and on time for the class
- Bring a note of explanation from their parents or parents to explain an absence that has happened or is foreseen
- Follow the correct set school procedure if they arrive late. This will help the school to monitor attendance and keep accurate records for the child's individual attendance. This is also vital for health and safety in the event of a school evacuation

The member of staff responsible for attendance will work to further develop relationships with families to bring about improved attendance. This may involve seeking multi-agency support. The member of staff responsible for attendance will support good attendance, respond to concerns and promote improvement in attendance by:

- Ask the school for help if their child is experiencing difficulties with any aspect of their school work or home and family life
- Inform the school of any change in circumstances that may impact on their child's attendance
- Support the school by becoming involved in their child's education, forming a positive relationship with school and acknowledging the importance of children receiving the same messages from both school and home
- Maintain effective routines at home to support good attendance
- Attend all meetings requested to discuss attendance issues

7. Attendance Protocols

If a child is absent, the following will be initiated by the school:

- The first day calling procedures will be activated for all pupils who are not in school after close of register at 9.30am and where no reason for absence is known
- If there is still no contact made from the pupil's parents, a further telephone call home will be made again that morning. If no response can be gained, the child's named emergency contact will be telephoned
- If school cannot make contact with a parent and are concerned about a pupil, a home visit may be carried out
- School will telephone home if a pupil leaves the school without permission

In certain circumstances the School may also:

- Visit the home of the pupil or request a welfare check to be made by the police
- Write to the parents of a pupil to highlight attendance or punctuality issues

- Invite parents to discuss how school can support the family to make improvement
- Refer to an external agency/ support service to offer support, guidance and advice
- Refer to the Local Authority for joint enquiries to be made to establish the whereabouts of the child through Children Missing Education procedures
- Refer to the Local Authority to consider issuing a penalty notice or to consider prosecution when all other interventions have failed, or an unauthorised leave of absence has been taken
- Refer the matter to an appropriate external agency for multi-agency support, such as implementing a Family Support Plan or referring to Children Services, where there are safeguarding concerns

7.1 Expected absence procedure for parents:

A parent has a legal responsibility to ensure that their child attends school regularly. If a child is unavoidably absent from school parents are expected to:

- Contact school by telephone call on the first day of absence and each subsequent day, identifying the reason for absence and the expected date of return
- If no contact is received, the Attendance protocols will be instigated

7.2 Support Systems

School recognises that poor attendance can be an indication of difficulties in a family's life. This may be related to problems at home and or in school. Parents are encouraged to inform school of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, incidents of domestic abuse. This will help the school identify any additional support that may be required.

We also recognise that some pupils are more likely to require additional support to attain good attendance.

The school will implement a range of strategies to support improved attendance.

Strategies used may include:

- Discussion with parents and pupils
- Parent Support advisor
- Pupil Voice Activities
- Friendship groups
- 1 to 1 mentoring
- Reward systems
- Additional learning support
- Behaviour support
- Reintegration support packages
- Attendance panels
- Parenting contracts
- Engaging the support of other agencies

Support offered to families will be child centred and planned in discussion and agreement with both parents and pupils. Where parents fail or refuse to engage with the support offered and further unauthorised absence occurs, the Head teacher will consider the use of legal sanctions following consultation with the Local Authority.

7.3 Attendance Procedure and Reward System

At Banham Primary School we promote good attendance through termly 100% attendance awards, annual attendance awards, and reward cards to support children improve their attendance.

We regularly share whole school attendance targets (and progress towards these) and other information regarding attendance with parents through our school newsletters and on our school website.

Attendance is monitored half termly. Headteachers are able to use their professional judgement in terms of when to send warning or reminder letters to parents. For example, if there are known, understandable reasons for a child's absence (for example a stay in hospital) a letter may not have to be sent.

Any children whose attendance falls below 96% will have their reasons for absence investigated by SLT and, where relevant, the Head may speak to parents to make them aware that their child's attendance is below average.

Parents of any children whose attendance falls below 93% will receive, where relevant, a first formal reminder letter (see Appendix 4)

Parents of any children whose attendance falls below 90% will receive, where relevant, a second formal letter (see Appendix 5), will be required to submit medical evidence such as an appointment slip or prescription for any future absence and may be at any point referred to further action such as FPN or Fastrack Attendance support should that be deemed appropriate by the Headteacher.

Attendance at school and legal intervention

[Research](#) commissioned by the Department for Education shows missing school for even a day can mean a child is less likely to achieve good grades, which can have a damaging effect on their life chances. At [INSERT NAME OF SCHOOL] our aim is to work with parents to ensure that all our pupils receive the most from their education and reach their full potential.

This letter is to remind all parents/carers regarding the law that requires them to ensure that their child attends school regularly. The Government remains very clear that no child should miss school apart from in exceptional circumstances and schools must continue to take steps to reduce absence to support children's attainment.

In the DfE policy document entitled, 'School Attendance: Guidance for maintained schools, academies, independent schools and local authorities' it states, '*Head teachers should not grant leave of absence unless there are exceptional circumstances. **The application must be made in advance and the head teacher must be satisfied that there are exceptional circumstances based on the individual facts and circumstances of the case which warrant the leave. Where a leave of absence is granted, the head teacher will determine the number of days a pupil can be away from school. A leave of absence is granted entirely at the head teacher's discretion.***'

If the school does not receive a request for leave, the head teacher will be unable to consider your individual circumstances and the absence will be recorded as unauthorised. There will be no obligation on the head teacher to reconsider authorising the leave if an application has not been made in advance.

The Local Authority operates a system where any pupil will meet the criteria for legal intervention where they have:

- at least 9 sessions (4.5 school days) lost to unauthorised absence by the pupil during the last 6 school weeks

The intervention could be in the form of a fixed penalty notice. Any pupil at [INSERT NAME OF SCHOOL] who meets the criteria, will be referred to the Local Authority for action to be considered.

If a fixed penalty notice is issued the arrangement for the payment will be detailed on the penalty notice. The penalty is £60 if paid within 21 days of receipt of the notice, rising to £120 if paid after 21 days but within 28 days of the receipt of the notice. The fixed penalty notice is per parent per child. You should be aware that failure to pay the total amount within the timescale will result in legal action being taken.

I hope we can count on your support in this matter, please do not hesitate to contact me if you have any questions.

Yours sincerely, Headteacher

Head teachers comply with the 2013 amendment to the **Education (Pupil Registration) (England) (2006) Regulations 2013** which means that they cannot authorise a leave of absence from school unless it is exceptional; every case should be treated on an individual basis and with due consideration of the circumstances. Ultimately, it is the head teacher of the school who decides if a period of leave during term time should be authorised or not.

Your request for leave of absence from school during term time has been considered and has been agreed/not agreed in line with CEE policy.

Signature of Headteacher _____

Please note: Retain the original signed and completed forms in school records and ensure a copy is returned to the parent/carers of the student to confirm authorisation.

Appendix 2: Leave of absence form pg. 2 Leave of absence during Term Time

You are required under the Education Act (1996) to ensure your child attends school regularly. There is however, a discretionary power to allow leave of absence in exceptional circumstances during term time. This is not an entitlement and purely at the discretion of the schools head teacher. Schools should not authorise absences if they believe it is to the detriment of a student's education or if the absences are during school exam periods and SAT's.

Before completing this application we would advise that you consider very seriously how the absences will affect your child's education. National statistics show 10 days absence in any academic year does have a negative effect on attainment. Schools are not obliged to provide work for students taking leave of absence; however some schools may choose to do this.

The government advises that any refusal of leave of absence must be recorded as unauthorised by the school on the student's records. As you may be aware unauthorised absences may result in legal proceedings against you either through a Fixed Penalty Notice or the Magistrates' Court.

Discuss with the school any request for leave of absence prior to making a booking. Your child's school may have a designated person for this. It is the parent/carers responsibility to ensure you receive confirmation from the school before the leave is taken. Do not assume permission is granted if you have not received written confirmation.

Fixed Penalty Notices

With the implementation of the Anti Social Behaviour Act (2003) the Local Authority has statutory powers to use Penalty Notices to help tackle irregular school attendance and unauthorised absences. An unauthorised absence is any absence that the school has not given permission for or the parent/carer has been unable to provide a reason for the absence, which is acceptable to the school.

The school will discuss with the Local Authority any cases of unauthorised absence and whether the issuing of a Penalty Notice would be appropriate. A Penalty Notice is an alternative to a prosecution to the offence and can be issued when it is felt that parents/carers are failing in their legal responsibility to ensure their child attends school regularly.

The penalty is in the form of a £60 fine per parent/carer per child payable within 21 days, this increases to £120 payable per parent/carer per child within 28 days. Failure to pay usually results in prosecution in the Magistrates' Court.

1. When does my child need to be in School?

Your child should be at school in good time for registration. The morning register will be called promptly at **9.00am** and the afternoon register at **1.15pm**.

2. What happens if my child is late?

If your child arrives after registration he/she will be marked **late**.

If your child arrives after **30 minutes after the registration opens** he/she will be marked **absent**. This is recorded as an unauthorised absence.

Pupils who arrive after registration should report to the school office. If a pupil is late on two or more occasions during the week a meeting will be arranged with a member of staff to discuss reasons / difficulties for lateness and if appropriate a letter may be sent home)

3. Does the School need letters explaining my child's absence or will a phone call do?

We would expect a parent to telephone the school on the first day of absence as soon as possible- before 10 o'clock at the latest. If you do not phone us, we will phone you. If we do not receive an explanation, or if the explanation is unsatisfactory, we will not authorise the absence, and this will be shown on your child's end of year report

4. What reasons will the school accept for absences?

- Illness
- Emergency dental / medical appointment (please make routine appointments after school or during the holidays)
- Day of religious observance
- Family bereavement or time of family crisis where travel is needed

When there are exceptional circumstances that prevent a parent from taking annual leave in school holiday periods; for example when the parent has served overseas in the armed forces and the family take a holiday together on their return. In these circumstances parents are expected to provide evidence from their employer (which includes a copy of their employer's policy for annual leave)

Except in the case of illness, you should ask for permission for your child to miss school well in advance, giving full details. In cases of recurring absences through illness you may be asked to produce appropriate medical evidence such as appointment notes, prescriptions or medical notes.

5. What is unacceptable?

The school will not authorise absence for day trips, holidays during term time, visiting relatives, shopping, birthdays, having lunch offsite or looking after brothers or sisters, etc.

6. Will the School contact me if my child is absent?

The school operates a first day response to absences: we will phone you if we have not heard from you. This is because we believe it is our responsibility to ensure your child's safety as well as their regular school attendance.

If we are concerned about aspects of your child's attendance or punctuality we will contact you to discuss the best way forward

7. What can I do to encourage my child to attend School?

Make sure your child gets enough sleep and gets up in plenty of time each morning. Ensure that he/ she leaves home in the correct clothes and properly equipped. Show your child, by your interest, that you value his / her education.

8. My child is trying to avoid coming to School. What should I do?

Contact your child's class teacher immediately and openly discuss your worries. Your child could be avoiding school for a number of reasons – difficulties with school work, bullying, friendship problems, family difficulties. It is important that we identify the reason for your child's reluctance to attend school and work together to tackle the problem.

Appendix 4 - Attendance letter 93%

Dear _____

I am writing with regard to _____'s attendance. The attached registration certificate shows that _____ attendance has fallen to below 93% this year. At the end of last term their attendance stood at _____%, with _____ broken weeks with absences/late arrivals recorded on the school register.

Clearly, there may well be valid reasons for this such as ongoing illness concerns which may explain this drop in attendance, however the school expects parents to encourage regular school attendance, even when complaining of minor ailments such as a cold, sniffle, cough etc. as most children are fine once in school and we will contact you if your child is too unwell to stay at school.

We would ask you to encourage excellent attendance so that _____'s overall attendance improves in the coming weeks and months. I know you will appreciate that poor attendance will have an effect on the progress children can make at school. If there are any issues that you feel may be affecting attendance please be aware that the school can offer a wide range of support e.g. attendance support panel, appointments with the school nurse, support via the school's Parent Support Advisor.

I am sure that you, like us, view attendance as important and will do everything you can to help _____ improve attendance. Should you wish to discuss this matter further please do not hesitate to contact me.

Yours sincerely,

Appendix 5 – Attendance letter below 90%

Dear

We have been checking attendance and have noted that *****'s attendance is only **%. This would place their attendance as 'persistently absent' over the course of the year.

Any future absences will need to be supported by medical evidence for us to authorise this absence. Medical evidence can be the form of a letter from the doctor or hospital, medical appointment cards, or dated prescription medicines.

I am enclosing a registration certificate for *****'s attendance this year for your records. Please do not hesitate to contact me for further advice on this matter.

If you are unable to supply medical evidence and ****'s attendance does not improve we will be expected to refer ***** which may result in further action being taken by the Attendance Improvement Officer.

Yours sincerely,
